

THIRD INFORMATION LETTER

INTERNATIONAL CONGRESS OF MECHANICS SCIENTISTS AND ENGINEERS (IC MSE-2026)

October 8–10, 2026

Almaty, Kazakhstan

ABSTRACT SUBMISSION DEADLINE: SEPTEMBER 15, 2026

ABOUT THE CONGRESS

The National Academy of Sciences of the Republic of Kazakhstan under the President of the Republic of Kazakhstan, the National Engineering Academy of the Republic of Kazakhstan, and Al-Farabi Kazakh National University, with the participation of leading universities and research institutes, are organizing the International Congress of Mechanics Scientists and Engineers (IC MSE-2026).

The Congress is dedicated to the 80th anniversary of the National Academy of Sciences of the Republic of Kazakhstan and the 95th anniversary of the birth of the distinguished scientist in mechanics, Academician Umirbek Joldasbekov.

The Congress will comprise a General Plenary Session and six international scientific conferences.

AIMS AND OBJECTIVES

The Congress aims to discuss current challenges and recent advances in science, identify priority areas for the development of mechanics, robotics, digital technologies, artificial intelligence, and engineering sciences, and strengthen interdisciplinary and international cooperation.

Scientists, researchers, university faculty members, engineers, doctoral and master's students, as well as representatives of research and educational institutions, sectoral research organizations, and industrial enterprises are invited to participate.
